With its rare 6-speed manual transmission, this Soul offers an engaging, zippy, and controlled driving experience that makes daily commuting a joy. Updated styling with a stronger body shell, improved ride quality, and a wider stance creates better handling. The signature boxy design offers surprising headroom and 61.3 cu. ft. of maximum cargo space with the rear seats folded, surpassing many competitors. Stay connected with standard Bluetooth wireless technology, USB/auxiliary inputs, steering-wheel-mounted audio controls, power windows/locks, air conditioning, 6-way manually adjustable driver's seat, and 60/40 split-folding rear seats.
